IDEAL

PUBLIC SCHOOL

PROSPECTUS

7

School Fees:
School Fees must be paid on the monthly basis at the school counter by the 10th of each month.

School Hours:
Students are expected to reach school by 8:10 a.m. No child is permitted to enter school after the specified period. Timings are
Nursery to I 8:15 to 11:45 a.m.
II to VIII 8:15 to 01:30 p.m.

Change of Address & Mobile no.
Any change of address or mobile number of the parents / guardians must be immediately notified in writing to the school.

Withdrawal:
Three calendar months notice or two months fee will be charged in lieu thereof, if a pupil is withdrawn from the school. A Transfer certificate will be issued on payment of Rs.500/-

Physical Education & Health Care:

Physical Education is a compulsory subject in our curriculum. Students attend regular physical activities class.

Our school infirmary has first-aid facilities. In case of any emergency, arrangements are made for treatment from a medical practitioner / local clinic / hospital, while parents / guardians are informed. Free Health Checkup is organized for the students every year.

Value Education:

The school constantly endeavours to inculcate moral values in the pupils through broad curriculum, organized programmes and social work. It has been introduced as an inter disciplinary subject at the school.

Cultural Activities:

The school is blessed with teachers who are talented in various fields of art, culture, drama, music and the like. Cultural activities are organized throughout the year.

Monitoring:

The entire school premises are under the surveillance of CCTV. Public Address System has been fitted. Class rooms are under the direct supervision of the Principal and the teachers are guided in case of any necessity. Fire extinguishers are available to control the situation in emergency.

Evaluation System:

The assessment of the students progress is determined on the basis of Continuous and Comprehensive Evaluation (CCE). Class Tests are held at regular intervals and Report Cards are presented to the parents / guardians. The promotion of the child is dependent on his / her cumulative yearly performance.

Parent Teachers' Meetings (PTM):

PTM are held at periodic intervals to discuss the improvement of children. Monthly progress reports prepared by teachers are also shown to the parents / guardians during the meeting. Parents may meet the teachers on specific days after the school hours to discuss the welfare of the children.

Students Diary:

The School issues a Diary to the students at the time of admission and at the beginning of a session each year.

The "Students Diary" is the learner's companion. It is a bridge of communication between the teachers and the parents. It should be brought to the school daily and the same should be checked regularly at both ends.

School Uniform:

Parents / guardians must ensure that students attend school, wearing school uniform, tie, badge and the School Identity Card.

The 'IDEAL GROUP OF EDUCATION TRUST' aspires to educate learners in an English Medium environment under its umbrella organization the 'IDEAL PUBLIC SCHOOL' (IPS) from Pre-Nursery (Montessori) to Senior Secondary (10 + 2). We have sought affiliation from the Central Board Of Secondary Education, (CBSE) New Delhi. The Ideal Public School has been contributing greatly for an all-round social, cultural and educational development to the Urdu Speaking (Minorities) along with its committed support to the cause of a good human being in general and a Shariah & Sunnah (Islamic theology) based life in particular. All these have been manifested since the inception of the Trust in 2013. Creditably the activities are in progress with even greater zeal day by day.

The IDEAL PUBLIC SCHOOL, NAWADA is the upshot of a long standing need of the Minorities (Urdu Speaking), yearning for an English Medium School with a difference. It has been the demand of the time to inculcate Islamic Studies and culture to the Urdu Learners right away from Montessori to Senior Secondary (10 + 2) school education.

PROLOGUE:

The Ideal Public School, Nawada proposes to grow into a 10 + 2 school with the concept that a child, as an 'INDIVIDUAL' needs all love and attention while growing up, not merely at home but in school as well. A school is an edifice, resting on the foundation of the goodwill of the community, parents and pupils. A boy or girl to become a responsible member of his / her family, community, society and a true-hearted citizen of our motherland, India. The Learners should have all round growth, physical, mental, moral and spiritual incarnated in them.

Learners will be helped in School to develop themselves with self confidence to face the ever changing world with skill and courage.

The School propagates Indian culture and traditions with the progressive modern system of education, science and technology through the medium of English. It also imparts basic Islamic education, Dinyat (theology) as a special curriculum to the learners on demand. Moreover, URDU, is a curriculum based L2 (second Language) subject apart from Hindi, taught in the school.

The school cares to nurture the hidden qualities, interests, and aptitudes of an individual rather than thrusting knowledge. There will be emphasis on character building through value-education, cultural activities, games and sports.

OUR MISSION & OBJECTIVES:

The mission is to help in presenting the country, good citizens through excellence in all round education. Our vision is to educate our children not merely for living but for life. A life lived should be meaningful, positive and propelling towards the intended goal. Children under our guidance could aim for the so called 'impossible', build a strong will-power which would give them the strength to achieve—"—" to fight for the right without question or cause".

We take appropriate steps to make learning an enjoyable and stress free activity. We work on concept of multiple intelligence and help the learners to bring out the best in them.

OUR OBJECTIVES ARE TO PROVIDE:

- top level academic training
- facilities for the development of all faculties in the child _ mental, moral, physical and emotional
- opportunities for the creative talents of young boys and girls so that their innate abilities could come out in every direction spontaneously
- We pledge to train and instil in the young minds the importance of character, discipline and good habits.
- We endeavour to develop leadership qualities through well planned academic curriculum, individual attention and caring environment.

MANAGEMENT :
The school is managed by a committee consisting of representatives from 'Ideal Group of Education Trust' and distinguished persons in the field of education, science, and technology. FREE Health Checkup is organized for the students every year. FREE Text Books are given to the meritorious and needy students every year. Regular Scholarships on need cum merit basis are given to deserving candidates. Annual Educational Tour is organized for the students every year. The Institution always takes the lead to serve the distressed in floods, famines, earthquakes, epidemics and other natural calamities. 25% of the available seats are reserved for the children from economically backward Class.

TEACHING FACULTY:
With a view to achieve the desired goal properly, qualified and skilled teachers have been appointed. Arrangements are made for regular counseling of teachers from professionals to refresh the educators.

METHOD OF COMMUNICATION:
The school is well equipped with the latest Information Technology and Audio-Visual Aids for learning. The teaching faculty have an analytical approach designed to stimulate the natural curiosity and inquisitiveness of the child. Projects, computer-aided education and activities have their valuable roles to make the learning an enjoyable experience. They are interconnected with the subjects taught in the class. The method instills a sense of responsibility and self confidence.

AFFILIATION:
The school has sought affiliation from the Central Board of Secondary Education (CBSE), New Delhi.

4

ADMISSION:
All information regarding admission may be obtained from the school notice board. Parents/guardians applying for admission of their sons / daughters / wards are advised to fill up the forms accurately. The parents are required to give an undertaking to abide by the rules and regulations of the school framed and revised from time to time for good governance of the institution and in the interest of the pupils under the care of the school.

Age Limits:

Montessori	2+ years
Nursery	3
UKG	3+
UKG	4+
Class- I	5+

Add one year thereto for each higher class.

Attendance:
Special emphasis is laid on regular attendance. Parents are advised not to keep children back at home, except when on medical urgency and other most unavoidable situations. Children must bring in letters from the parents / guardians explaining reasons for the absence.

Transport:
School provides transport facilities from various points in the town and from nearby localities based on the number of students from the area.

Hostel:
Hostel facility at present is available for senior boys only. School has designed a plan to accommodate more students in future.

Laboratories:
Laboratories are well equipped with appropriate instruments to ensure perfection in learning.

Library:
School has planned for a very rich Library. Text Books as well as reference books for all the classes would be available. Books on many disciplines, subjects and topics would be provided for the learners.

Computer Education:
The school has a well furnished computer room where students are imparted computer education. Key Board skills and associated techniques are taught across the whole range of computer.
